DETAILED ACTION

Response to Arguments

1. Applicant's arguments with respect to claims 48-66 have been considered but are moot in view of the new ground(s) of rejection.

Claim Rejections - 35 USC § 112

2. Claims 48-64, 65-66 are rejected under 35 U.S.C. 112, second paragraph, as being indefinite for failing to particularly point out and distinctly claim the subject matter which applicant regards as the invention.

Claim 48 is rejected because it is unclear what is meant by "comprises in whole or in part an electrolyte separator".

Claim 62 is rejected because it is unclear what is meant by "1,2-ethoxymethaoxyetahne".

Claim 65 is rejected because there is no antecedent basis for "causing said polyether polymer to swell".

Claim Objections

3. Claim 66 is objected to because of the following informalities: "Said first and second polymer" should instead be "Said first and second polymers". Appropriate correction is required.

Art Unit: 1745

4. Claim 56 is objected to under 37 CFR 1.75(c) as being in improper form because a multiple dependent claim cannot depend from more than one claim. Claim 56 is dependent on claims 55 and 51. See MPEP § 608.01(n). Accordingly, the claim 56 has not been further treated on the merits.

Conclusion

5. Applicant's amendment necessitated the new ground(s) of rejection presented in this Office action. Accordingly, **THIS ACTION IS MADE FINAL**. See MPEP § 706.07(a). Applicant is reminded of the extension of time policy as set forth in 37 CFR 1.136(a).

A shortened statutory period for reply to this final action is set to expire **THREE MONTHS** from the mailing date of this action. In the event a first reply is filed within **TWO MONTHS** of the mailing date of this final action and the advisory action is not mailed until after the end of the **THREE-MONTH** shortened statutory period, then the shortened statutory period will expire on the date the advisory action is mailed, and any extension fee pursuant to 37 CFR 1.136(a) will be calculated from the mailing date of the advisory action. In no event, however, will the statutory period for reply expire later than **SIX MONTHS** from the date of this final action.
